

**Szegedi Szakképzési Centrum Kossuth  
Zsuzsanna Szakképző Iskolája**

# **Szegedi SzC Kossuth Zsuzsanna Szakképző Iskolája**

**This our logo and we call the school  
as nickname. K. Zs.**

**Everybody knows this nickname in  
Szeged and use it too.**

# **WHO WAS ZSUZSANNA KOSSUTH?**

**Zsuzsanna Kossuth was first leader nurse in 1848 during a big revolution. She organized the first health care school in Hungary.**

**Her brother was Lajos Kossuth a famous politic leader, who has a large honor in Hungary.**

# OUR SCHOOL

**The education started in 1948 and that time was only nurse training. Today work in the school 65 teachers and there are 1000 students in our education and we have 12 different professional courses.**

# K.Zs. EDUCATION

**There are our education has two part. One of them it's high-school and another is professional education.**

# HIGH-SCHOOL

**During 4 years the students pick up the basic professional knowledges and end of fourth year they do the high-school graduation.**

# **PROFESSIONAL EDUCATION**

**There are three courses in our school:**

- 1. Health-care education**
- 2. Social education**
- 3. Fashion desinger**

**Our education mostly needs for sutends high-school graduation. In professional courses we teach adult people except in social helper education ( explain later).**

**There are two ways learning in the professional education: one of them the dayliht and another way when the students study is afternoon next to the work.**

# **HEALTH-CARE EDUCATION**

**We have nine health -care courses:**

- 1. nurse ( adult) ( 3 level)**
- 2. nurse ( baby and child) ( 3 level)**
- 3. stretcher-bearer or ambulance nurse ( 2 level)**
- 4. pharmacy assistant ( 2 level)**
- 5. dentist assistant ( 2 level)**
- 6. labor assistant( 2 level)**
- 7. x-ray assistant( 2 level)**
- 8. histology assistant( 2 level)**
- 9. health masseur( 2 level)**

# **SOCIAL EDUCATION**

- 1. Social care ( 2 level or 3 level by young student)**
- 2. Child protector /care ( 2 level, high-school graduation it's necessary)**

**In this courses can study from 14 years whos cannot go to high-school graduation but just only in social care cours ( social assistan+social helper)**

# PRACTICE

**We have a good relationship with University of Szeged and our students go to their hospital to the practice in health-care education.**

**In the social education students go to the practice to governments institutes.**

# EXAM

**The exam are three part:**

- test**
- theory**
- practice**
